

Learning objectives :

- **Play an extract of *Oxygen***
- **Work on oral and oratory skills**

1) Read “Oxygen-Synopsis-Characters”

2) Write a summary of the synopsis, specifying the main topics covered in the play (10 lines maximum)

**3) Choose an extract you will work, memorize and play (2, 3, 4 or 5 characters).
You will also have to choose which character you want to interpret.**

4) Write in groups a presentation of the extract, to bring a light of the extract within the play : what is the main topic covered ? Who are the characters involved ? What are the ideas defended by each character ? etc...

5) Perform the extract in front of the class !
